

Comments and Suggestions submitted at the 2026 Boundary County Fair Chamber Booth

Support the skate park, make it happen!

Front facing banner (where this year's theme is) make Bonners Ferry Chamber signage.

Put theme signage to back wall.

Backdrop highlight WHY JOIN CHAMBER?

Maybe look into tabletop monitor or display to do a member showcase. Cost would be for power. Much easier to update this frequently as memberships ebb.

Sidewall do showcase of events.

Request same booth for 2027.

Keep open wall open for ventilation.

Had trouble finding the Chamber Booth. Only the table cloth has the Chamber logo.

2ft x 8ft (or match width of canopy) Banner with Bonners Ferry Chamber of Commerce and logo.

2ft x 8 ft (or match width of canopy) Banner with WHY JOIN CHAMBER?

Highlight members on individual signs that can be changed yearly.

Signage: highlighting our annual events: Kootenai River Days, 9B Ladies Event, Hometown Holidays. (reusable with generic dates 3rd week in July, etc..)

Candy, scissors, and balloons were a hit.

Other notes/considerations:

I would also like to add the SETUP and TAKE DOWN need to be added to the schedule. If there are not enough volunteers, maybe it does not make sense to participate. Not much fun doing everything. Thank you to Angela and Erika and the Claybusters (couldn't have done this without Ron and Joe Campbell helping with the canopy and tables- maybe we should offer Dukes Claybusters a free year membership for their non-profit).

The chamber has four 8ft tables. The branded tablecloth is 5ft. I recommend purchasing an 8ft branded tablecloth.
