

Membership Committee Report

September 2026

Submitted by: Darci Price

The majority of the Membership Committee's time and effort this month has been focused on recruiting volunteers and community partners to help make the **Longest Table Ice Cream Social** at the **Kootenai River Days** event on **Saturday, September 26** a success.

Longest Table Ice Cream Social

We have secured **37 tables and 263 chairs** through the generous support of local businesses, organizations, and community partners, including:

- Eagles
- Northwest Auto Body
- Larsons
- North Haven Campground
- Bonners Ferry Chamber of Commerce
- City of Bonners Ferry
- Bonners Ferry Visitor Center

A huge thank you to Casey Gannon with Northwest Auto Body, the American Legion, and VFW for their extra help coordinating, paying rental fee & providing tables and chairs. Their assistance is been greatly appreciated.

We are still in need of **additional volunteers for both setup and takedown** on the day of the event. Continued outreach to Chamber members and community volunteers is underway.

Chamber Promotion

Leftover promotional flyers from the Chamber's booth at the **Boundary County Fair** have been placed and displayed at the **Bonners Ferry Visitor Center**, providing continued exposure for Chamber events and activities.

Looking Ahead

The Membership Committee will continue focusing on member engagement, volunteer recruitment, and building partnerships with local businesses and organizations. The Longest Table event is a great opportunity to showcase the Chamber's role in bringing our community together and creating positive connections among members and residents.
